Update Notice: Inclusion of CHIPS-JU

In accordance with the evolving scope of our technological initiatives and partnerships, this document is currently being updated to include references and provisions related to the "**CHIPS-JU**". We are committed to ensuring that our by-laws reflect the latest developments and collaborations in our field.

The sections pertaining to CHIPS-JU are currently under revision and will be integrated into this document promptly. We appreciate your understanding and patience during this process of enhancement and expansion.
